Audri

Contemporary Style for Breakout Spaces

The Audri chair and stool range brings a warm, contemporary aesthetic to commercial workspaces, offering a versatile solution for breakout zones. Crafted from natural American ash with options in natural, walnut, or black stain, Audri balances durability with a soft, inviting presence. Its choice of fabric or faux-leather seat pads allows it to integrate seamlessly into a wide range of design palettes. With its refined silhouette and robust construction, Audri elevates informal spaces with a blend of sophistication and everyday comfort—ideal for workplaces that value both style and longevity.
