## Design by Marco Zito

Marco Zito brings his signature elegance to soft seating with Velia, a collection defined by curvilinear forms and tailored upholstery. The interplay of folds and vertical seams creates a quiet sophistication, while the varied thicknesses of the base, seat, and backrest highlight Zito's attention to proportion. For interior designers, Velia offers a versatile palette of comfort and character—perfect for lounges, lobbies, or intimate residential spaces that call for both warmth and distinction.
